## Our requirements

1.) All our Aussies are sold by contract only. We do this to protect our dogs and to assure all our buyers that we stand behind every dog produced at Diamond Hill. Do you have a problem with signing our contract?

Yes  No

2.) We require that both ASCA and AKC registration papers be filled out and sent in for individual registrations, and that the numbers are sent to us for our records. Will this be a problem for you? Yes  No

Describe \_\_\_\_\_

3.) We ask that all OFA and Cerf evaluation results be reported to us, once again this is for our records.

Will this be a problem? Yes  No

4.) We recommend that all pups be taken to puppy obedience class. (or some type of training and socialization) Will this be a problem for you?

Describe \_\_\_\_\_

5.) We require all pet pups to be spayed/neutered and mark the non - breeding boxes on their registration papers.

Do you have a problem with this? Yes  No

a.) If so, why?

Describe \_\_\_\_\_

6.) We as breeders strive to breed Aussies that are physically and mentally sound, this does not however mean that all our Aussies are perfect, if a problem arises, We want to be contacted immediately with full details whether genetic or otherwise. (including death) Again this helps us to keep accurate records.

Will this be a problem? Yes  No

a.) If yes why?

Describe \_\_\_\_\_

7.) We require that all dogs acquired from us be brought back to us if you can no longer keep the dog.

Will this be a problem? Yes  No

8.) Would you be willing to let me decide what puppy I feel best suits your situation/family/lifestyle? Yes  No

9.) If we do not have the Aussie for you, May we refer you to another reputable Breeder? Yes  No

Thank you for taking the time to fill out the questionnaire. We hope you understand the reasons for the need to have a questionnaire. We only want our Aussies to have a happy and healthy life. We trust as a dog lover you too can appreciate this.
